HERE AT HOME

Marion Citizens Gladly Testify And Confidently Recommend Doan's Kidney Pills.

It is testimony like the following that has placed Doan's Kidney Pills so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statement of a Marion citizen:

Thomas L. Hillyard, Railroad St., Marion, Ky., says:—"Doan's Kidney Pills came to my relief after I had suffered a great deal from kidney trouble and had spent much money for medicine without receiving any benefit. Two years ago I was taken with an attack of typhoid fever and upon recovering, found that my kidneys were badly disordered. The pains in my back were so severe that frequently I had to leave my work and lie down for several hours. There was a constant desire to pass the kidney secretions and I was obliged to arise several times during the night. The kidney secretions were also highly colored and the passages were attended with pain. I became dizzy and dark spots floated before my eyes. A relative, hearing of my condition, advised me to give Doan's Kidney Pills a trial and I procured a supply at Haynes & Taylor's Drug Store. They cured me in less than two months. For over two years I have had no return attack of my old complaint and am bound to look upon my cure as a permanent one."
